Dear Hojat ul-Islam Jafari,

I would like to take this opportunity to invite you, accompanied by M S Oskoei Tabrizi, to pay a visit to our department. Your stand on war on violence has much in common with ours. The central question is how to preserve peace and avoid violence while simultaneously seeking justice and fostering freedom. If you can come and visit us, we would also hope that through your visit, contacts can be set up between our department and Islamic scholars like yourself who are working for a peaceful world.

Yours sincerely,

James O'Connell
